Instructions for transition work

Attached is the PiXL Gateway; Progression to Business Project.

Please read through the booklet and then complete the tasks.

Transition work that must be completed prior to starting the course:

The Business Summer Project includes:

- The basics about businesses and some essential Key terms. Use: www.tutor2u.com to help you create a document where you can become familiar with these.
- The expectations that you are required to build an awareness of business in the real world, the ability to conduct independent research and then show logical chains of argument.
- The companies you really should know!
- A reading list for the summer
- Apps for Business
- News websites for Business
- Business Books
- Writing styles
- The Summer Project
- Exam board - Edexcel

You will need to print out your Summer Project and hand it in the first week of starting 6th Form.
